

AB ECO LAM - Gloss

Product Information

General

'AB ECO LAM Gloss' is a high gloss, super clear, 60 micron top-coated polypropylene lamination film. The film and adhesive has built-in UV stabilisers for outdoor use, and is laminated with a high coat weight, pressure-sensitive permanent clear adhesive. This product is commonly used in combination with the AB ECO Polypropylene print films.

Suitable for over-lamination of all ink types including UV Inks.

Use as a matching over-laminate to the AB60, AB100 and AB300 ECO PP Print Media

Product is suitable for

- High gloss over-laminate
- Flat surfaces
- Indoor and outdoor applications
- Dry-wipe
- Anti-graffiti

Product Benefits are

- PVC-Free
